

FA PLENUM FAN ARRAY

Ideal for retrofit/replacement applications or where redundancy is critical. Cubes are available in single wall and double wall construction with G90 galvanized sheet metal. Double wall cubes are available with perforated internal walls. Available fully assembled with fan or knocked-down for field assembly. Sizes 10-36.

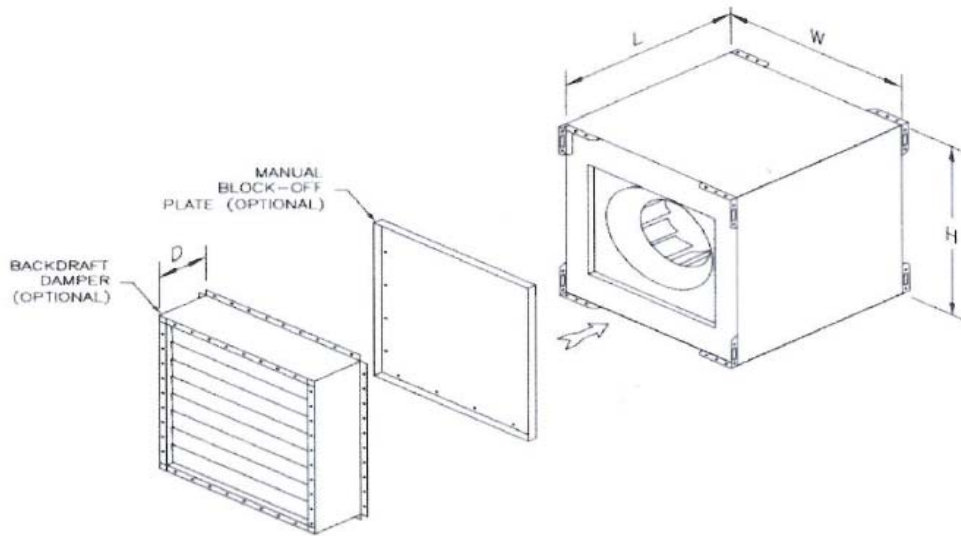

Size	Dimensions in Inches				Weights in lbs.			
	D	H	L	W	With Solid Liner	With Perf. Liner	Blockoff Plate	Damper Assy.
10	12	25	23	23	160	152	8	37
12		28	27	27	205	192	10	43
13		29	27	29	215	202	12	45
15		33	31	33	265	250	14	51
16	14	35	35	35	307	289	16	61

27		51	47	51	547	514	31	97
30		56	52	56	649	608	37	106
33		62	54	62	741	691	42	117
36		68	60	68	884	824	45	128

Notes:

1. Blockoff plate ships loose for field assembly. Mounts to fan inlet. Isolates fan from system for space or repairs.
2. Damper is gravity close mounted on fan inlet. Isolates fan from systems when not in operation.
3. Weights do not include fan or motor.
